

# CHRISTMAS SHUTDOWN

**We will be closing our offices from 16th December 2019 and reopening on 6th January 2020.**

As we won't be manning telephones during this period, please email your support queries to [support@co3.co.za](mailto:support@co3.co.za) and we will contact you as soon as is reasonably possible.

We will have skeleton staff monitoring this email account so critical issues related to billing runs, logging on or processing issues will be prioritised during this period.

**Wishing you and your families a Merry Christmas and a prosperous New year.**
